Details

Description

Compact, lightweight, practical, robust - the K 2.120 high-pressure cleaner is ideal for occasional use around the house. This portable high-pressure cleaner is suitable,

e.g. for cleaning cars, garden furniture or patios. An impact-resistant, recyclable plastic casing effectively prevents dirt particles from damaging the motor and pump. A safety valve prevents pressure overload. A pressure switch control switches the motor on and off when the trigger gun is pressed and released. High-performance machine with high-quality N-Cor pump to reduce noise. A detergent injector system supplies detergent to the area being cleaned also at low pressure. A large on/off switch for ease of use, on-board practical accessory storage for lances and an ergonomically designed trigger gun for effortless cleaning are further features of the K 2.120.
